

INTERNATIONAL SCHOOL OF FLORENCE

Dear New Parents,

Please accept a warm welcome to Florence from myself (Michelle Lovalvo) and Elaine Ruffolo. We are the new parent coordinators for the Parent's Association (PA) at the International School of Florence (ISF). Elaine and I are excited to help introduce you to ISF with its dedicated staff, enthusiastic students, and involved parents. The PA is a volunteer group dedicated to supporting the school and enhancing the quality of the educational experience at ISF for all students.

We invite you to become involved and help further enrich the program at ISF and ensure the students have a positive experience. Whether you choose to help at an event, assist in the classroom, or simply send supplies for a school activity, your help is important and greatly appreciated. Please feel free to contact Elaine or me with any questions or suggestions.

I arrived in Florence planning to stay for year and I have already extended my sojourn another year. Elaine is an expat and has been living and working in Florence for over 20 years. Between the two of us, we can offer help not only with the school but with navigating day-to-day life in Florence. We are happy to offer advice on anything from grocery shopping to Italian language classes. We look forward to seeing you and possibly working with you this school year.

Michelle Lovalvo and Elaine Ruffolo

Thank you,

Elaine and Michelle
